

Australian Patent No 743517  
Shunt Pulse Backwash BN 11646433

# Chadson

**Engineering Pty. Ltd.**

A.B.N. 76 008 768 858

◆ Established 1966 ◆

Australian Patent No 779548  
Australian Patent No 769441

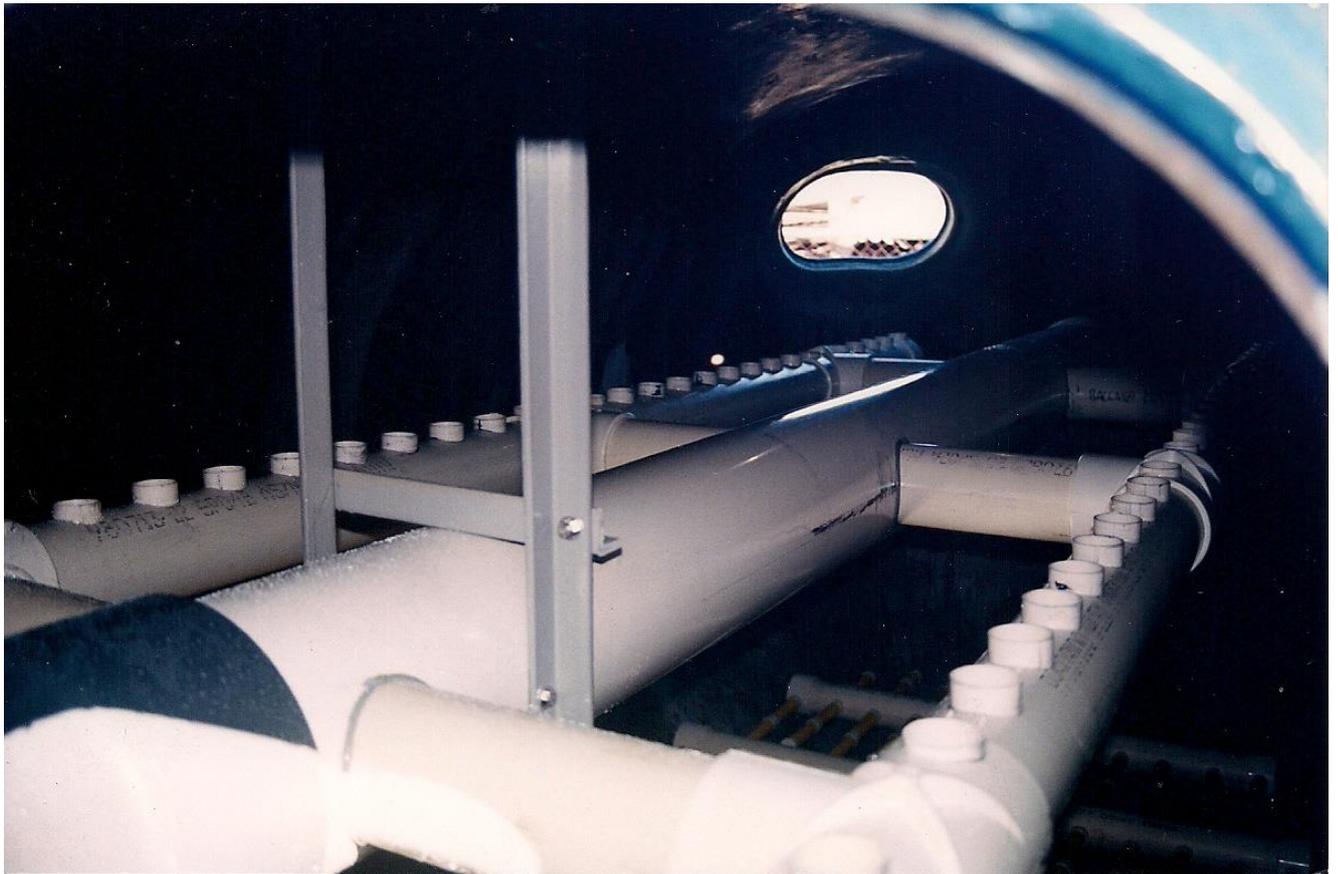

*Commercial Filter Design and Manufacture for over 50 Years*

## Chadson FloModuLata™ top header distributor

We split the incoming water stream into 6 equal streams with 3 patented devices (not visible in the photo)

We then split each of the 6 streams by 50% each then again by matched by pairs of calibrated nozzles

The calibrated nozzles are not all the same and have different penetrations into the water streams (again not visible in the photo)
